

WICKING & COOLING NECK GAITER

TD800-HVY

WEAR MULTIPLE WAYS

TUFF & DRY

WICKING & COOLING

- Protection from dust & debris in the air, as well as the heat & sun
- UPF 50+ blocks 98% of UV rays
- Moisture wicking & evaporative cooling
- Anti-microbial – treatment to prevent growth of odor causing bacteria

Please note in order to expedite meeting demand, we are foregoing our OccuNomix reflective logo branding, reflective stripes, and tag-less care instructions on the gaiter itself, so your gaiter may not have these features at this time. The product will be received in similar packaging with an OccuNomix logo tag and care label so you will know it is an authentic OccuNomix product.

We apologize for any inconvenience as we are unable to accept any returns for this item.

IMPORTANT: This product makes no claims that it will cure or prevent Coronavirus, Influenza, or COVID-19, only that it is engineered to be a dependable and sustainable solution to your personal protective equipment needs.
