

SUN PROTECTION FOR OUTDOOR WORKERS

SUMMER FLAP CAP WITH MESH PANELS

STAY SAFE IN THE SUN

DID YOU KNOW?

Outdoor workers have a **high risk of skin cancer** due to repeated and prolonged sun exposure.

You need sun protection even if it is cloudy or cold.

90% of skin cancers occur on **parts of the body not usually covered by clothing** - the face, hands, forearms and ears.

Sunscreen lotions may offer limited protection due to excessive sweating and the need for constant re-application.

High quality flap cap with mesh panels
Durable UV resistant (UPF50, water repellent coating)
Extra long brim for maximum sun protection
Neck flap to protect back of the neck and ears
Mesh panels for added breathability on those hot summer days
Moisture wicking sweat band
Elastic back closure to fit all sizes
Colour: Khaki, Dark Blue
Size: One size fits most

#BSFC Summer flap cap with mesh panels
